Additional Student Support

When a student presents with a level of support (as defined by the School), the School may charge for the time and support it takes to manage and provide that support. Support needs can change, and it is important to note that support service charges may need to be adjusted (up or down) over time. There could also be situations when a one to one learner assistant is required for longer periods and the on-charging of this will be discussed with parents.

Low	Medium	High
\$1,000 per term	\$2,000 per term	\$3,000 per term

Payment is due per term (4 x per school year), but may be adjusted term-by-term as needed.

Minimum Enrolment Period & Refund Policy

Minimum enrolment is one year for Years 1-11. Single semester enrolment is only an option on request and approval under specific criteria. The Green School Diploma Programme requires a minimum two year commitment (Year 12 & 13).

Tuition fees are not refundable. The school's budget is determined based on enrolment numbers at the start of the academic year and financial commitments are made to faculty, staff, and facilities investments accordingly. Therefore, requests for pro-rated tuition charges or refunds as a result of illness, unexpected departures or extended holidays cannot be granted.

At least a full semester's notice (minimum 22 weeks) in writing addressed to the Head of School must be given should a student be withdrawn. If notice is not given, parents/caregivers will be liable for payment of fees for the following term.

2024 Withdrawal Deadlines

Withdrawal Timing	Withdrawal Deadline
Before Semester 1 commences	28 th August 2023
Before Semester 2 commences	19 th February 2024

If fees have been paid annually in advance and the above mentioned full semester's notice has been given, the Head of School has the authority to make exceptional refunds on a case by case nature. If granted, an administration fee of \$500 will be deducted to cover costs incurred.

In the event a student's enrolment is ended by Green School New Zealand for a breach of the Enrolment Terms & Conditions, a request for a refund will be considered less a semester's tuition fees, administration fee of \$500 and any other reasonable costs incurred in ending the student's enrolment.

If an Australian student changes to a domestic student (by way of been granted NZ citizenship) after the start date of their enrolment, reasonable written notice of the change is required by the school. Unless otherwise agreed by the school, a refund will be provided less a semesters tuition fee. We recommend advising Green School New Zealand in writing of the intention to begin the citizenship process, approximate timelines, and regular updates to ensure the maximum notice is given.

In the event that a student is required to leave for disciplinary reasons, tuition fees are forfeited.

Fee protection

Green School New Zealand is required to have a fee protection policy to safeguard the fees paid by international students. This policy ensures that Green School New Zealand retains sufficient monies to meet the requirements of any refund in the unlikely event that Green School New Zealand may not be able to continue delivering tuition to international students.
